### Depending on the connection, as our community partner the co-op may:

- List your business in our online **Community Connections** directory at no cost. This directory is found on coopportunity.com & viewed by thousands each month. Your ad in our directory will consist of a color graphic and paragraph about your business, and link directly to your website.
- The directory link is also periodically advertised in our bi-weekly email newsletter (sent to over 11,000 co-op owners).
- We will do a special written web feature of your business announcing our new connection and share it on our social media platforms.
- We have other partnership opportunities available in-store and are open to partnership promotions.
- **The co-op offers event & meeting catering.**
