

It's a Black Thing

(...and you just wouldn't understand)

Childs: *“McReady, do I look Norwegian?!! Let’s make sure the sequel is somewhere warm...like Atlanta.”*

Lord of the Precious Ring

Precious: *“Smeagol, if you want some of this Precious, you better put a ring on a sister’s finger.”*

Alienated

Private Frost: *“Sarge, I have a question for you. Are you sure you want me, the only other Black dude on this mission, to hold ALL the ammo and explosives as we walk into a nest of hostile alien organisms that have acid for blood? We’ve all seen enough horror movies to know how this ends. May I suggest having one of the white guys....?”*

Sergeant Apone: *“That’s a damned good idea, Frosty! Hey, Wierzboski!!! Get you’re a\$\$ over here.”*

Private Frost: *“Right on, Sarge.”*

Star Trek: The Adult Series

Uhura: *So, Sulu, what is the favored drink among people in your country?*

Sulu: *That would be tea or saki or plum wine.*

Uhura: *Could I interest you in a little hot chocolate?*

What’s Love Got to Do with It?

Tina Turner: *“Hit me again, Ike, so I can watch Max go futuristic on your a\$\$!!”*

Clash of the Titans

Blacula: *I am looking for an eastern European nobleman called Count Dracula. He's got an ass-kicking coming from me.*

Dracula: *Oh, \$#/+!!!!*

Kinky Kong

Skull Island Native #1: *He used to be such a nice boy. My has he changed since the white folks showed up.*

Skull Island Native #2: *Yup, and now he's obsessed with blondes and sex and bondage, forcing us to get girls for him. I just don't see the attraction. I mean really, how can a 50 foot tall 10-ton ape fall in love with a 5'4" 115 pound white woman? That boy has lost his mind. You mark my words; she'll be the death of him yet.*
